Any player who played in Spring 2021 or Fall 2021 should still be verified.

SCORE REPORTING

It is the responsibility of each team's Head Coach and/or Athletic Director to check the scores posted at [ncsaasports.com](https://www.ncsaasports.com) for accuracy within 7 days of the conclusion of the game. If the score is inaccurate, please fill out the online form at <https://www.ncsaasports.com/scores.html> to request a review. NCSAA will then check with Site Officials and the opposing team to determine the correct score. Teams may not dispute the score of the game after 7 days and the score will stand.

COMPLAINTS

NCSAA will not respond to individual parent complaints/issues. Any issues need to come directly from the Head Coach or Athletic Director. If you would like to compliment or complain about a game official you may do so at <https://www.ncsaasports.com/officials.html>. Game officials are human. Errors do occur. However, all decisions made on the floor are final. NCSAA will not overturn the result of a game based on official's judgment or error. We will simply review complaints for teaching purposes only. There is no such thing as "playing under protest" in NCSAA. NCSAA will often follow the "24-48 hour rule" on responding to any complaints in order to give all parties time to have a proper "cooling down" period. We will

not take angry phone calls on gameday from coaches. We ask that all complaints be in writing from the Head Coach or Athletic Director. In addition, we will not tolerate a mob mentality in which several coaches and parents email the league. This may result in the team being removed from the league.

OFFICIALS

There is a nationwide shortage of officials that's heavily impacting Nevada. This is impacting high school and youth sports across the valley. There may be times when NCSAA will make alterations to the number of officials on the court for games based on availability. This is not a cost-cutting measure or a miscommunication from the league. These games will count and not be postponed or replayed should there only be 1 official available. This is not simply a "just go train some more officials" situation. Our officials association does an amazing job of posting ads and providing training. There are just not enough officials at times. We will work together to get through it as a sports community.
