

2023 NCSAA Flag Football Rules

NATIONAL SPORTS ID

National Sports ID Requirements to be completed and approved by roster deadline. Anyone without a fully verified National Sports ID will not be permitted to play. Returning players with a National Sports ID account will just need to update their information in the system. New players will need to do the entire process. A player that is verified but NOT on the roster is considered ineligible to play. They must be fully verified AND on the roster.

1. **Headshot Photo** – *Similar to a Driver's License or Student ID Photo. This should be a close-up, clearly lit photo that shows the student-athlete's entire face and hair looking directly at the camera. No hats. No sunglasses. This can be a recent school photo or one simply taken from your cell phone.*
2. **Scan of Birth Certificate, State ID, or Passport**
3. **Proof of Grade** – *This can be your most recent report card, most recent School ID, school schedule showing your child's grade, screenshot of Online Account (i.e. Infinite Campus) proving grade level, etc.*
4. **Parents E-Sign the NCSAA Participant Waivers**
5. **Pay \$12 National Sports ID annual fee per student-athlete** – *this is a one time fee per school year*

PHYSICALS

Physicals are required for all student-athletes within 12 months of the start of the sport. These are not collected by NCSAA or National Sports ID. They are collected by the school's Athletic Director and to be kept on file. By allowing a student-athlete to play the school is acknowledging the student-athlete has passed a physical.

GAMEDAY CHECK-IN's & NATIONAL SPORTS ID ROSTERS

1. League officials will check every team's National Sports ID prior to each game.
2. Players who arrive after check-ins have occurred but are on the official National Sports ID roster must check-in with the NCSAA Site Director prior to checking into the game.
3. Any player not on the official National Sports ID roster will be ineligible to play for that day.
4. If a player is "verified" (green) in NSID but NOT on the official team roster, they are INELIGIBLE to play.
5. Site Directors will work from the official roster only and not look at parents or coaches phones/electronic devices to dispute whether a student-athlete should be on the roster.
6. Teams who play ineligible players will forfeit their game.
7. Players may play up an age group, but may never play down
8. Student-Athletes may only play on 1 roster in that sport for the entire season. (For instance, you can't start on a JV Roster and move up to Varsity. That is not allowed – even if your roster is short-handed that week due to players out of town.) However, a student-athlete may play multiple sports in the Same Season (for instance a student-athlete is permitted to play Flag Football & Cross Country or Volleyball at the same time).
9. No 8th Graders may play in JV
10. There are no roster size limits
11. **Roster's are locked every Wednesday at 6pm for that week's games. No roster additions may be made Thursday-Saturday**
12. No players will be added to the rosters after the Wednesday prior to Week (4) of the season.
13. Teams must consist of at least seven (7) players.
14. Teams must start games with a minimum of seven (7) players. In the event of an injury, a team with insufficient substitute players may play with six (6) players on the field, but no fewer than six (6). If a 7th player is on their way, NCSAA Officials, Referees or Site Directors may delay the start of the game at their discretion.

DIVISIONS

- Elementary Coed Recreational (Grades 1-3)
- Elementary Coed Competitive (Grades 3-5)
- Middle School Coed Junior Varsity (Grades 6-7)
- Middle School Boy's Varsity (Grades 6-8)
- Middle School Girl's Varsity (Grades 6-8)

RECREATIONAL DIVISION

Our Recreational Division will not keep an official score or have standings or playoffs. These games will be designed to introduce the student-athletes to the sport of flag football without the pressures of winning or losing.

FIELD

The field will be 50 yards long with a 40-yard playing field and a 10-yard end zone. It will be up to 53 yards wide. Due to the unique nature in which Charter Schools were built, field sizes may vary slightly from site to site at NCSAA's discretion without notice. Alexander Dawson School has a smaller field so we do have to cut down the length of zones slightly. This is fair and equal for both teams and will count towards an official game.

12. Shorts must be a different color than the flags being worn. (For instance, you can't have red shorts and then wear red flags, etc.)

GAME

1. New in 2023 – The Home Team will occupy the bench area closest to the endzone. The Visiting Team will occupy the bench area located closest to the 40 yard line. In the playoffs, the higher seed will be considered the home team.
2. At the start of each game, captains will meet at midfield for the coin toss. The Visiting Team will call the coin toss.
3. The winner of the coin toss has the choice of offense or defense. Possession changes to start the second half to the team that started the game on defense. Teams may not defer their decision to the second half.
4. The offensive team takes possession of the ball at the 40-yard line with their choice of hash and has three (3) plays to gain a first down. First downs will be achieved when the offensive team crosses the 25-yard line and again at the 10-yard line. From there, the offensive team has three (3) down to score a touchdown.
5. If the offensive team fails to score, the ball changes possession and the new offensive team starts its drive from the 40-yard line.
6. If the offensive team fails to achieve a first down, possession of the ball changes and the other team starts its drive from the 40-yard line.
7. All turnover on down possession changes start from the 40-yard line

5. Teams will have a 25-second play clock for each play once the Referee has blown the Ready Whistle for the offense.
6. Each game will begin and end with a whistle.
7. The game clock will be a running clock (stopping only for timeouts and injuries); except in the final 2-minutes of each half, where regulation timing will be used.
 - a. Referee will announce when the game clock has reached the 2-minute mark.
8. During regulation timing, the clock will stop for all: incomplete passes, penalties, player out of bounds, and timeouts.
 - a. For offensive penalties, the clock will resume on the ready whistle.

3. A team that scores a TD must declare whether they wish to attempt a 1-point conversion (from the 5) or a 2-point conversion (from the 10). Any change, once a decision has been announced, requires a charged timeout. A decision cannot be changed after a penalty.
4. **MERCY RULE:** After one team in winning by 35 points or more, the game is over. Once a 35 or more-point advantage is gained, no PAT will be attempted. The game will continue in “scrimmage mode” for the remainder of the game (regular season only). In the playoffs the game will completely end after a 35 point lead has been achieved. We will not continue in scrimmage mode.
5. The Referee will keep the official score and time on the field for each game.

COACHES

2. The official will indicate the neutral zone and the line of scrimmage.
3. It is an automatic dead ball penalty if any player on offense or defense enters the neutral zone prior to the snap of the football. The official MAY give both teams a “courtesy” neutral zone warning to allow players to move back out of the neutral zone.
4. A player who gains possession in the air is considered inbounds as long as one (1) foot comes down in the field of play prior to any other part of the player touching an out of bounds area.
5. The defense may not mimic the offensive team signals by trying to confuse the offensive players. While the quarterback is calling out signals to start the play. This will result in an unsportsmanlike conduct penalty.
6. Substitutions may be made on any dead ball.
7. Any official can whistle the play dead.
8. Play is ruled “dead” when:
 - The ball hits the ground as a result of a bad snap, the ball is then placed where the ball hit the ground.
 - The ball-carrier’s flag is pulled.
 - The ball-carrier steps out of bounds.
 - A touchdown or PAT is scored.
 - The ball-carrier’s knee or arm hits the ground.
 - The ball-carrier’s flag falls out.
 - The receiver catches the ball while in possession of one (1) or no flag(s).
 - The 4-second pass clock expired.
 - Inadvertent whistle.
9. There are no fumbles (including snap). The ball will be spotted where the ball-carrier’s front most foot was at the time of the fumble.
10. If an inadvertent whistle occurs with no time left on the clock at halftime or the end of the game, the offense will have one (1) untimed down. The offense has two (2) options:
 - i. Take the ball where it was when the whistle was blown, and the down is consumed.
 - ii. Replay the down from the previous line of scrimmage.
11. Players may not intentionally kick the football.

RUNNING

1. The ball is spotted where the ball-carrier’s front most foot is when their flag is pulled; not where the football is held. Forward progress is measured based on the front most foot.
2. **The quarterback cannot directly run with the ball.** The QB is defined as the offensive player who received the snap from the center.

- a. The QB may hand the ball off to a runner, that runner make a football play, then hand it back to the QB. At that point the QB is eligible to run the ball.
3. Only **direct** handoffs behind the line of scrimmage are permitted. Handoffs may be in front, behind, or to the side of the offensive player, but must be behind the line of scrimmage. The offense may use multiple handoffs. Reverses are legal. However, once the ball is handed off they may not pass it. Only the QB may pass the ball off the initial snap. Once it's handed off it's a run play.
 - a. The "Center Sneak" play is not allowed. The quarterback is not allowed to handoff to the center of the first handoff of the play.
 - b. The offensive team may run the ball on any down (unless they begin inside the 10-yard line).
4. Absolutely NO laterals of any kind are allowed. This includes pitches.
5. In competitive divisions, The area inside the 10-yard line is designated as a no-run zone. Any play beginning in this area MUST be a pass play.

6. Once the ball has been handed off in front, behind, or to the side of the quarterback, all defensive players are eligible to rush.
7. Runners may not leave their feet to advance the ball. Diving, leaping, or jumping to avoid a flag pull is considered flag guarding.
 - a. Runners may leave their feet if there is a clear indication that they have done so to avoid a collision with another player without a flag guarding penalty being enforced.
8. Spinning is allowed; however, players cannot leave their feet to avoid a flag pull.
 - a. Players spinning out of control will be called for flag guarding.
9. No blocking or screening is allowed at any time.
10. Offensive players without the ball must stop their motion once the ball has crossed the line of scrimmage. No running with the ball-carrier.
11. All jerseys MUST be tucked in before each play begins. The flags must be on the players hips and free from obstruction. Obstructed flags will be considered flag guarding.

PASSING

1. All passes must be from behind the line of scrimmage, thrown forward and received beyond the line of scrimmage. All passes that do not cross the line of scrimmage, whether received or not, are illegal forward passes.
2. Shovel passes are allowed but must be received beyond the line of scrimmage.
3. The quarterback has a four-second "pass clock". If a pass is not thrown within the four (4) seconds, the play is dead, the down is consumed, and the ball is returned to the previous line of scrimmage. Once a ball is handed off, the 4-second pass clock is no longer in effect.
4. In all competitive divisions, the offensive team is responsible for retrieving and setting the ball themselves. The clock does not stop, and any delay of the offense in retrieving and setting the football to the officials will result in a Dead Ball Delay of Game penalty. The officials will assist from the sideline along with the down indicator on where to set the ball.

RECEIVING

1. All players are eligible to receive passes except the quarterback.
2. Only one player is allowed in motion at the snap of the football. All motion must be parallel to, or away from, the line of scrimmage. No motion at the snap may "attack" or approach the line of scrimmage.

4. In the case of simultaneous reception by both an offensive player and defensive player, possession is awarded to the offense.
5. If the defense should gain an interception they will start their drive at the 30-yard line. They can still gain a first down at the 25-yard line.
 - a. Interceptions cannot be returned for yardage.
6. Defensive pass interference that occurs in the endzone will result in an automatic 1st down with football being placed on the 1-Yard line.

BLITZING & BLOCKING

1. NO BLITZING ALLOWED in the ENTIRE game (INCLUDING overtime). If a team blitz's, they will be penalized 15 yards, un-sportsman.
2. NO blocking.
3. Face guarding is allowed.
4. Blocking will result in a loss of down, return to the previous spot.
5. The defense is allowed to bump or press. A bump by the defense can only occur at the line of scrimmage. This is also known as a press. It's exactly like a full court press in basketball in nature. This is not a collision. This is chance to match up. If this contact would be called a foul in basketball, it will be called a penalty here.

FLAG PULLING

1. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
2. Defenders can dive to pull flags; however, they cannot tackle, hold, or run through the ball-carrier when pulling flags.
3. It is illegal to attempt to strip or pull the ball from the ball-carrier's possession at any time.
4. If a player's flag inadvertently falls off during the play, the player is down where the flag came off (ball-carrier) or where the player gains possession of the ball and the play ends. The ball is placed where the flag lands or the play ended.
5. A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball.
6. Flag guarding is an attempt to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, football, arm, or shoulder, or intentionally covering the flags with the football jersey.

 - a. No motion is allowed toward the line of scrimmage.

3. Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.
4. The center must snap the football with a rapid and continuous motion to a player in the backfield, and the football must completely leave their hands. **The center may snap it between their legs or to the side.**

UNSPORTSMANLIKE CONDUCT

1. If the officials witness any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player may be ejected from the game. The decision is made at the Referee's discretion. No appeals will be considered. **FOUL PLAY WILL NOT BE TOLERATED.**
2. Offensive or confrontational language is not allowed. Officials have the right to determine offensive language. If offensive language or confrontational language occurs, the Referee may give one (1) warning. If it continues, or is overly egregious, the individuals will be ejected from the game and they must leave the premises.
3. Players may not physically or verbally abuse any opponent, coach, or official.
4. **Fighting will not be tolerated!** If a player throws a punch, they will be immediately ejected and CANNOT return to the game. If players are involved in pushing/shoving they will be immediately ejected and CANNOT return to the game. If a team's bench clears, resulting in a fight, both of the teams will be ejected, resulting in a forfeit. The Referee has the right to eject any player, players, or team out of the game. The ejected player, players, or team must leave the premises immediately. A Referee can also assess a 10-yard unsportsmanlike conduct penalty.
5. Ball-carriers MUST make an effort to avoid defenders with an established position.
6. Defenders are not allowed to run through the ball-carrier when pulling flags.
7. Fans must also adhere to good sportsmanship.
 - a. Yell to cheer on your players, not to harass officials or other teams.
 - b. Keep comments clean and profanity free.
 - c. Compliment ALL players, not just one (1) player or team.
8. Fans are required to keep fields safe and kid friendly. Fans are NEVER to address the officials for any reason. Any yelling at, disagreeing with, booing, etc of a game official is grounds for an immediate ejection.
 - a. Site Directors have the authority without prior warning to dictate where fans may sit during the games. This is done for the safety of the teams, student-athletes, coaches, officials, and staff. This may include limiting seating to one side of the field, no sitting in endzones, etc. We ask that all chairs be placed on blacktop/concrete only and not on the turf for any reason. This may change from week to week at NCSAA, the school, and Site Director's discretion. Generally speaking, NCSAA does not want spectators on the same sideline as our team benches in any sport. This will be the general rule at the majority of our sites. If a field has built in stands, fans are required to sit there and only there. No chairs will be permitted on the field/track/sidelines. They must be in the stands.
 - b. Keep younger kids and equipment (such as coolers, chairs, and tents) far enough off of the field as to create a safe playing area for all players.
 - c. Dispose of all trash in designated trash cans.

SCORE REPORTING

It is the responsibility of each team's Head Coach and/or Athletic Director to check the scores posted at [ncsaasports.com](https://www.ncsaasports.com) for accuracy within 7 days of the conclusion of the game. If the score is inaccurate, please fill out the online form at <https://www.ncsaasports.com/scores.html> to request a review. NCSAA will then check with Site Officials and the opposing team to determine the correct score. Teams may not dispute the score of the game after 7 days and the score will stand.

COMPLAINTS

NCSAA will not respond to individual parent complaints/issues. Any issues need to come directly from the Head Coach or Athletic Director. If you would like to compliment or complain about a game official you may do so at <https://www.ncsaasports.com/officials.html>. Game officials are human. Errors do occur. However, all decisions made on the floor are final. NCSAA will not overturn the result of a game based on official's judgment or error. We will simply review complaints for teaching purposes only. There is no such thing as "playing under protest" in NCSAA. NCSAA will often follow the "24-48 hour rule" on responding to any complaints in order to give all parties time to have a proper "cooling down" period. We will not take angry phone calls on gameday from coaches. We ask that all complaints be in writing from the Head Coach or Athletic Director. In addition, we will not tolerate a mob mentality in which several coaches and parents email the league. This may result in the team being removed from the league.

OFFICIALS

There is a nationwide shortage of officials that's heavily impacting Nevada. This is impacting high school and youth sports across the valley. There may be times when NCSAA will make alterations to the number of officials on the field for games based on availability. This is not a cost-cutting measure or a miscommunication from the league. These games will count and not be postponed or replayed should there only be 1 official available. This is not simply a "just go train some more officials" situation. Our officials association does an amazing job of posting ads and providing training. There are just not enough officials at times. We will work together to get through it as a sports community.

PLAYOFFS

The Regular Season will consist of an 8 game Season. For divisions of 31 or less teams, the top 8 teams will make the playoffs. For divisions of 32-41 teams the top 12 teams will make the playoffs. For divisions of 42-48 teams the top 16 teams will make the playoffs. There may be doubleheaders in the playoffs.

TIE-BREAKERS

2 Teams Tied

1. Standings
2. Head to head
3. Least amount of points allowed
4. Coin Flip

3 or More Team Tied

1. Standings
2. Least amount of points allowed
3. Coin Flip

CASTS

For the safety of our participants, no student-athlete is allowed to play with a cast on (soft or hard) – even with a doctor's note. We will NOT allow any padding to be put over it. There will be no exceptions to this rule.

DRONES

NCSAA supports the same position statement issued by the NIAA in 2014 & 2017 that: 1. Drone (UAS) activity is prohibited in and/or around,

before, during and after NCSAA sanctioned events. 2. NCSAA officials may halt the game/event until the air space is cleared. Regulations issued by the FAA (14 CFR part 107.39) prohibit the flying of a drone over a human being that is not operating it. NCSAA member schools employing the use of drones outside of NCSAA sanctioned events are encouraged to assure such use is in accordance with federal and state laws and regulations.
