

Coaches,

Thank you for trusting NCSAA to provide your athletes with an outstanding experience. We are excited to bring back our Cheerleading events after a long break. We are excited to kick off the season with our 2021 Showcase!

To ensure our teams and coaches confidence while attending our events we decided to offer a kickoff event like no other event producing company is hosting! Our kickoff event will be a showcase for teams where feedback will be provided by choreography and judging professionals. Teams will be receiving the following:

- Overall choreography feedback
- Choreography enhancements/fluff suggestions
- Level appropriate add-ons to help your score
  - Stunt transitions/skills concepts
- Overall routine suggestions to visually enhance your choreography
- Assistance in ensuring you are maxing out in scores and so much more!

**SO MUCH MORE VALUABLE FEEDBACK THAN SCORES!!!**

Our goal is to cater to choice programs in the performing arts. By doing so we have created a scoring system per event that will keep teams coming back with no outcome expectation. NCSAA is aware majority of teams will compete against each other all season, so we accommodated our events to give every program a fair chance at placing. It is important to us to create a fun environment for athletes to enjoy the experience and we are excited to continue balancing out the experience with friendly competition.
